

Visit SpineCraft at NASS Annual Meeting — Booth #1255

A detailed 3D anatomical illustration of a human spine, showing the vertebrae and intervertebral discs. Various surgical hardware components are shown in place, including rods, plates, and screws, in colors such as green, purple, yellow, and blue. The hardware is arranged to demonstrate different surgical techniques and products.

SpineCraft will be exhibiting at the NASS Annual Meeting in our hometown Chicago, IL on October 14-17, 2015.

We invite you to stop by **Booth #1255** to meet members of our team and hear about our latest products and new system releases.

**We look forward to seeing
you in Chicago!**
