

SpineCraft to Participate in the 12th Annual UCSF Spine Symposium

We hope you will visit the SpineCraft table at the [12th Annual UCSF Spine Symposium](#) in San Francisco, California on June 2nd and June 3rd.

The UCSF Spine Symposium is an annual two-day event emphasizing pioneering trends in diagnostic and therapeutic strategies for patients suffering from spinal disorders.

This course is designed to be interactive with talks given by leaders in the spine community. All lectures are followed by case discussions aimed at highlighting key issues in breakthrough treatments.

The course is designed for neurosurgeons, orthopedists, nurses, physical therapists, physiatrists, anesthesiologists, pain specialists as well as primary care providers.
